

Tax Preparation Services in Willington

Despite the fierce winter here in the northeast, we know that spring is just around the corner when we hear the words “taxes” and “April 15th”. We are fortunate to have tax preparation professionals right here in town.

Bulick Tax Services, LLC

Diane Bulick is in her 15th year of preparing federal and state tax returns for individual and small business clients. She serves clients in multiple states including Connecticut, Massachusetts and Rhode Island. Diane also has 20 years of financial and accounting experience. She is an Enrolled Agent. With this designation, she can represent taxpayers before the Internal Revenue Service. Enrolled agents, like attorneys and certified public accountants (CPAs), are generally unrestricted as to which taxpayers they can represent, and what types of tax matters (e.g., IRS audits) they can handle. Diane maintains this designation through continuing education.

She is taking new clients and can also help you or your business with tax planning and how to keep accurate business records. Diane resides at 12 Laurel Drive in Willington – telephone: 860.458.0115, fax: 860.458.0116, email: bulicktax@charter.net.
